Week #	1	Date	July 26, 2023
Team Name	Discord		
Student Name	Armando do Rego Lima Filho		
Student ID	301235438		

Team Meeting Attended

	Yes	No
	✔	

Provide details about your participation during the meeting and if the meeting was missed the reason for non-attendance

I presented my progress to the other members of the team and gathered feedback on
what feature to proceed next. In particular, this week I presented general ideas for our
app and authentication/registration methodologies we could use.

Work Assignment Completed

	Yes	No	**Work Done (in hours)**	3hours
	✔			

Provide details about your work assignment (what you did) and if the work assignment was not completed, the reason for non-completion and any other work-related info

Research popular chat app features
Define user authentication and registration process

Week #	2	Date	August 2, 2023

Team Name	Discord
Student Name	Armando do Rego Lima Filho
Student ID	301235438
